I bring clarity to complexity, challenge thinking and make things happen, bringing people with me. 15+ years across the full HR landscape, from operations and business partnering to talent development, executive leadership and global transformation, at Siemens, LEGO, Lantmännen Unibake and Carlsberg, as well as tech start-ups and scale-ups. Strategic in how I think, hands-on in how I work, and direct and collaborative in how I communicate.

EXPERIENCE

Global Head of HR Transformation — 2024 – 2026

YNV Group · investment and operating group, 11 countries

- Building the foundations for HR transformation across 11 countries: working with the CHRO, my team and I led 12 transformation projects.
- Established D365 as the single source of People data and replaced a legacy project structure with a functional hierarchy, reducing organisational units by 70% and giving leaders the data for budgeting and workforce planning.
- Launched a Shared Services hub in Africa in four months, rolling out to six countries and supporting 3,000 leaders and employees (4.8/5 satisfaction). Built an 'Ask HR' AI agent proof of concept.

Chief People Officer — 2022 – 2024

Uniscale (formerly Patientsky) · healthcare SaaS, around 300 employees

- Executive People leader and adviser to the CEO through commercial scale-up and a company sale (NOK 850m+).
- Part of the M&A team, ensuring accurate and timely People data and documentation throughout the transaction.
- Built job architecture and pay grades, performance calibration and succession for critical roles.

Global Talent Development Director — 2021 – 2022

Lantmännen Unibake · 12 countries

- Working with the CHRO, led global talent reviews and succession planning, executive talent dashboards and competency frameworks.
- Designed and rolled out Leadership Fundamentals for around 500 leaders through a cost-effective train-the-trainer model.

Senior Global Talent Manager — 2019 – 2020

Carlsberg Group

- Managed the Global Leadership Academy (around €1m) for leaders at all levels, including the Executive Leadership Team; co-created the Leadership Framework and revised values, and contributed to Carlsberg's first DEI strategy.

Global HR Development Manager — 2017 – 2019

TAJCO Group · Europe, US and China

- Led leadership and capability development across three continents, including a skills matrix for a 1,000-employee plant in China.

HR Business Partner, Senior Global Talent Manager — 2015 – 2017

The LEGO Group

- Partner to the General Manager of LEGO Education; built the case for and co-designed a new global onboarding model. Matured global performance management.

HR Business Partner | Head of HR Service Desk & International Mobility — 2008 – 2015

Siemens Wind Power

- Helped design and implement HR Shared Services, then led AskHR for around 7,000 employees: 3,500 queries a month, 8/10 satisfaction and a "World Class" rating from Siemens HQ for resolving over 90% first time.
- Led International Mobility (around 2,000 delegations a year) and HR business partnering for populations of 250 to 1,500.
